DeltaVision is offered through Red Tree Insurance Company, Inc., an affiliate of the Northeast Delta Dental companies. These plans are administered in conjunction with EyeMed Vision Care, LLC and First American Administrators, Inc.

Why Choose DeltaVision?

- DeltaVision is supported by an **EyeMed Vision Care network with almost 54,000 providers at over 24,000 locations nationwide**. This network offers a broad mix of independent providers, local optical retailers, and nationally recognized retailers (**where approximately 60% of all vision care dollars are spent**), to include:

- Members are free to see the optical provider of their choice, either in- or out-of-network. They will receive the most value from their DeltaVision benefits when they receive care from in-network providers.
- Members can apply their vision benefit to any brand of frame, lenses or contact lenses at the provider location they choose.
- Members receive a **40% discount** off all additional complete prescription eyeglass purchases, and a **15% discount** off all additional conventional contact lens purchases after their funded benefit has been used. The frequency is unlimited and available at all of our provider locations.
- The Contact Lens by Mail program allows members to order replacement contact lenses on-line and have them delivered directly to their homes.
- Members have access to **live customer service 99 hours per week** (the most in the industry), including nights and weekends, from a world-class customer services team boasting an annual member satisfaction rate of 95%.
- ID cards include a summary of the plan design and a listing of local in-network providers based on the member's ZIP code.
